### SPECIAL CONDITIONS OF SALE

With reference to the Act of 13 July 1992 (decrees published in the J. O. of 17 June 1994) governing relations between travel agencies and their clients.

**REGISTRATION** : Registration for one of our trips implies acceptance of our sales conditions. All registrations must be filled in and signed by the participant in duplicate and accompanied by a deposit of 30 %. Receipt of this deposit does not imply reservation, as this is dependent on the number of places available. If your registration is accepted, we will send you an invoice as confirmation. The balance must be paid 30 days before the departure date. If you register less than 30 days before the departure date, you must pay the total cost of the trip with your booking request. We do not acknowledge receipt of final payments. Registrations made less than 2 weeks before departure must be paid for by bank card only. Insurance must be taken out on signature of the contract and paid for at the time.

**PRICE**: The Participant acknowledges that he has read the information relating to the trips that he has chosen in our brochure and trip descriptions, which were sent to him prior to the sending of the invoice. In our trip descriptions we mention what is included in the price and what is not. In general, airport taxes, vaccination and visa costs, drinks, visits to places of interest and personal equipment are never included in the price unless stated otherwise in writing. Any changes to exchange rates, carriers or other service providers may lead to an alteration to published prices. Prices are established at 1/10/08 based on exchange rates, prices of flights and on-land services known at the time and are subject to alteration up to 30 days before departure. Any delay in the payment of the balance may be considered to be a cancellation, for which the current cancellation fee will be

applied.

#### **INFORMATION AFTER REGISTRATION**

10 days before departure at the latest, we will send you your travel documents, which contain all the information you need for your trip (exact meeting times and locations, how to reach the meeting-point, contact details of the local representative, car-sharing options, etc.).

#### **LIABILITY:**

Administrative and health formalities: Mont Blanc Luxury will issue this information for French citizens. Foreign nationals should contact the competent embassies or consulates for information. Each participant is responsible for checking that his documents comply with the information provided by Mont Blanc Luxury.

In accordance with article 23 of Act no.92.645 of 13 July 1992, Mont Blanc Luxury may not be held liable for the consequences of the following events:

- Loss or theft of air tickets (airlines do not issue a duplicate)

- Failure to present identity or health documents or presentation of documents that have expired or do not have a sufficiently long validity period (identity card, passport, visas, vaccination certificate ...) or that do not comply with the instructions shown on the registration form or trip description, at the the police, customs or check-in desk. In the event of a failure to check in, 100% of the cost of the trip will be retained.

Unforeseeable and insurmountable incidents or events caused by a foreign third party during the trip, such as: war, political disorder, strikes and technical incidents beyond

Mont Blanc Luxury's control : Overcrowded air space, bad weather, delays, breakdowns, loss or theft of luggage and other effects. By virtue of the transport contract conditions of airlines governed by the Warsaw convention, we strongly recommend that you build in a sufficient amount for any connecting flight to the departure airport.

The special prices that we have negotiated mean that we cannot change the tickets, and these will in no circumstances be reimbursed in the event of a delay by the airline or a change to the take-off time or a postponement that cancels your trip. The carrier undertakes to do his best to transport passengers and luggage with reasonable care. The times indicated are not guaranteed on the contract. The carrier may, without notice, replace other carriers, user other aircraft, or change or cancel any planned stopovers wherever necessary. The only services considered to be contractual are those mentioned in the trip descriptions sent out at the time of registration. If we find it impossible to provide part of the services promised, we will do our utmost to replace them with equivalent services.

#### **DISTINCTIVE FEATURES OF OUR HOLIDAYS AND TRIPS.**

All participants must follow the advice and instructions given by their group leader; we may not be held liable for any incidents, accidents or physical injury that may be the outcome of an imprudent personal initiative. During the trip, the group leader will be the only person to decide whether to change the programme. Considering the sporting nature of our holidays and trips, we may be forced by unforeseen events or compelling circumstances affecting the safety of travellers to replace one means of transport with another, one hotel with another, take a different route or cancel certain excursions. The participant may not refuse without valid reasons. However, if the services accepted are of lower quality, Mont Blanc Luxury will reimburse the difference in price on return. If we are unable to provide a replacement service or if the service is refused for valid reasons, we will organise the participant's return at no extra cost.

#### **CANCELLATION- MODIFICATIONS**

On your part :

If you have to cancel before departure, you must inform us by registered letter with proof of receipt. The date on the proof of receipt will act as the cancellation date for the invoicing of cancellation fees . If you drop out more than 45 days before your departure, you will be reimbursed the amount that you have paid, less a deduction of fifty euros (50 €) per person, plus the actual expenses incurred for air or sea transport and land-based services.

If you have to cancel less than 45 days from departure, the following deductions will be made :

- 45 to 21 days: 25 % of the total amount of the trip

- 20 to 8 days: 50 % of the total amount of the trip

- 7 to 2 days: 75 % of the total amount of the trip

- less than 2 days: 90 % of the total amount of the trip

For all air tickets purchased in advance, at the request of the participant or due to the policy of airlines for certain types of tariffs, a cancellation fee of 100% of the price of the ticket will be invoiced, whatever the date of cancellation. Please note that cancellation insurance does not cover cancellation fees prior to 45 days before departure. The cost of the assurance and the annual subscription cannot be reimbursed. No reimbursement will be offered if you have to cut your trip short for any reason, or if the group leader decides to exclude you from the trip because you are not up to the required level or if you fail to follow safety instructions. If you find it impossible to come on the trip, you may suggest another person on the condition that he fulfils the same conditions and that we have not already made bookings in your name, for which payment will remain due. You must inform us by registered letter with proof of receipt between 7 and 15 days before departure.

On our part :

If we have to cancel a departure for reasons beyond our control, or due to lack of participants, we will offer you a range of alternative solutions at the price in force, or we will reimburse you in full. You will be informed 21 days at the latest before departure. No compensation will be paid.

#### **INSURANCE**

We cannot replace individual public liability insurance. You must have public liability insurance in order to take part in our trips. Similarly, we strongly recommend that you take out insurance to cover the cost of cancellation, loss or theft of luggage and early departure from the trip. It is compulsory to be covered for repatriation assistance and emergency rescue . Each participant has the option to take out a GENERALI insurance contract with Mont Blanc Luxury that offers three options: . We will send you an extract of the general guarantee conditions before you register.

Insurance rates:

Cancellation + Repatriation/Rescue + early departure from the trip : 3% of the cost of the trip

Cancellation only : 2.50 % of the cost of the trip

Repatriation only : 1 % of the cost of the trip

It will not be possible to change this insurance once it has been taken out. If you do not wish to subscribe to our repatriation/rescue insurance, we will ask you to send us the

contact details of your own insurer and the guarantees offered in his contract.
